

DISPUTE & FORENSIC ADVISORY SERVICES

At Adamy Valuation, our litigation support experts are dedicated to resolving complex financial disputes, from shareholder or trust disputes to contract and employment litigation. We work closely with attorneys and their clients to navigate all financial aspects of a case, from early stages, through mediation and settlement negotiations, all the way to trial with expert witness testimony. Our experts, retained by plaintiffs and defendants alike, have extensive experience estimating damages across a wide range of industries in federal, state, and local courts.

OUR SERVICES

- Shareholder and buy-sell disputes
- Purchase price and post-acquisition disputes
- Lost profit claims
- Accounting disputes and investigations
- Asset and income misappropriation
- Business and contractual disputes
- Commercial litigation and damages analysis
- Condemnation and eminent domain matters
- Economic damages analysis of claims made by individuals
- Forensic financial data analysis and interpretation
- Fraud and misconduct investigations
- Tax-related conflict
- Trust disputes

Why a Valuation Matters

Accurate forensic accounting and business valuations are essential in uncovering the truth and negotiating fair settlements. Disputes involving financial complexities often require precise, unbiased analysis, helping all parties involved understand the financial impact of the claims and damages. Our forensic advisory services bring clarity to contentious financial situations, supporting equitable resolutions with credible evidence.

Why Choose Adamy Valuation

At Adamy, we are your trusted partner in delivering expert dispute and forensic litigation support. We specialize in providing financial insights and business valuation expertise to legal teams, empowering you to navigate the complexities of your cases with confidence. Driven by a commitment to make complex financial concepts simple, we work collaboratively with attorneys throughout each engagement, ensuring you are equipped with clear, credible financial insights to make informed decisions for your clients.
